

# La fiesta de San Fermín

Level 5+ writing activity

sanfermin.com

Follow the writing frame to produce a full piece of writing describing an imaginary visit to the San Fermín festival in Pamplona. The piece of writing is aiming at Level 5 (see description of Level 5 at the bottom of the sheet). Reference is made to what you normally do (the present) as well as the past and the future. This takes you to level 5+.

no voy a ir a la fiesta de San Fermín porque voy a visitar ....

## Level 5 writing

Pupils produce short pieces of writing, in simple sentences, that convey information and opinions. They refer to **past experiences or future plans**, as well as to everyday activities. The meaning can be understood with little or no difficulty. They may use dictionaries to check words they have learnt and to look up unknown words.
